

TOWER RESIDENCES 01, 08, 09 AND 16

Residences 401 and 416 on the 4th Floor Amenity Level also share this floorplan design

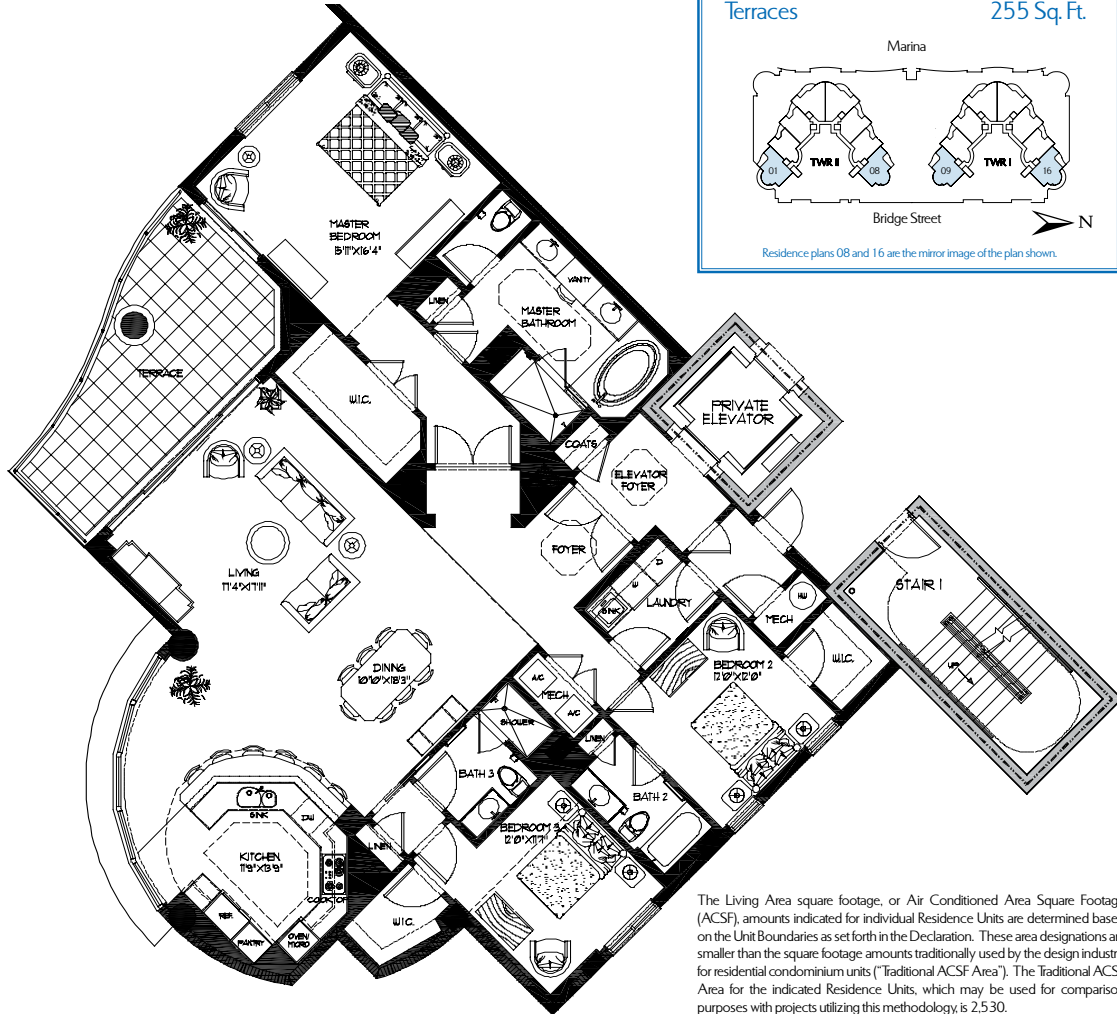

Levels 5-16

3 Bedrooms/3 Baths/Living Room/
Dining Room

Air Conditioned Area 2,365 Sq. Ft.
Terraces 255 Sq. Ft.

Residence plans 08 and 16 are the mirror image of the plan shown.

The Living Area square footage, or Air Conditioned Area Square Footage (ACSF), amounts indicated for individual Residence Units are determined based on the Unit Boundaries as set forth in the Declaration. These area designations are smaller than the square footage amounts traditionally used by the design industry for residential condominium units ("Traditional ACSF Area"). The Traditional ACSF Area for the indicated Residence Units, which may be used for comparison purposes with projects utilizing this methodology, is 2,530.
